On the eve of the inauguration of the 44th US President, some guy named Obama, [GoViral](#) was gracious enough to provide me with proper send-off for number 43, George W. Bush, with a collection of his infamous gaffes, malapropisms and all-around cringe-inducing moments from his eight years at the helm of the Oval Office. Enjoy!

5. Is Bush an "Idiot"?

For those more interested, this is a discussion from NBC, trying to determine whether Bush is an illiterate idiot or actually clever, but just not very articulate.

4. Bush Dodges Shoes Thrown by Iraqi Journalist

The famous recent shoe attack from Iraq. Bush very swiftly dodges the shoes being thrown at him by an Iraqi reporter. In Iraq, slapping someone with a shoe is the worst possible insult. The United States President seems to handle it fine, though.

3. Top Ten George W. Bush video moments, Late Night David Letterman

Here is another brief compilation of Letterman's favourite Bush mess ups.

2. President Bush Makes Fun of Himself

President Bush speaks at a radio & TV correspondents dinner. He is definitely not without humour or charm. It only seems strange that his ability to articulate himself comes out the best, when he is not being serious.

1. Must See Hilarious George Bush Bloopers

This is a compilation of some of the funniest George Bush moments during his Presidency.
